Would you be interested in buying your next vehicle without the hassle of a lengthy credit check done at the dealership and without a down payment? If this sounds too good to be true, read on. Many of our customers thought they couldn't get an auto loan. We secure your loan quickly, before you go to the dealership - many times in less than 5 minutes!

Because you have satisfied certain criteria based on information obtained from a consumer report, we are able to **offer you a Pre-qualified** auto loan of up to \$29,995.00** for a 2000 or newer, certified, pre-owned vehicle, (**see reverse for terms and conditions). There's a better way to buy your next vehicle. It starts with a quick phone call to get your pre-qualification* amount.

All you need to do is:

1. Log on to www.YouCanGetACar.com or call (888) 296-7842.
2. Confirm your identity by providing your **PIN MDA3262**.
3. Get your pre-qualification** amount and write it in the space on the voucher.
4. Go to the approved dealership to choose your vehicle!

Here's what you can expect upon arrival:

1. No money down, w.a.c.
2. Special interest rates.
3. Vehicles with set pricing and no haggling.

There are thousands of people, who are now in a vehicle they love, who thought they couldn't secure an auto loan because of credit problems, who took a moment to call toll-free or log on to our website. You'll be surprised at how easy it is. Take a moment to find out how much you qualify for, then come to one of our selected dealerships. You could take your new car home today!

Buying a vehicle should be an easy process. It should be fun - not stressful. We give you the power to show up at the dealership as a buyer, not a browser. If you have questions about how the program works, or are just curious to see how much you qualify for - call us. The call is free and it only takes a moment.

Sincerely,

Rocky Rycenga

Program Administrator
